### 8. RESPONSIBILITY STATEMENT

The Directors, having made all reasonable enquires, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### 9. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,  
By order of the Board  
**Morris Holdings Limited**  
**Zou Gebing**  
*Chairman*

The following is an explanatory statement required by the Listing Rules to be sent to Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Shares Repurchase Mandate.

### **EXERCISE OF THE SHARES REPURCHASE MANDATE**

As at the Latest Practicable Date, a total of 1,000,000,000 Shares were issued. Subject to the passing of the resolution granting the Shares Repurchase Mandate and on the basis that no further Shares are issued or bought back during the period from the Latest Practicable Date to the date of the Annual General Meeting, the Company will be allowed under the Shares Repurchase Mandate to repurchase a maximum of 100,000,000 Shares, being 10% of the total number of issued Shares as at the date of the passing of the relevant resolution at the Annual General Meeting.

### **REASONS FOR REPURCHASES**

Whilst the Directors do not at present intend to immediately repurchase any Shares, they believe that the flexibility afforded by the Shares Repurchase Mandate granted to them if the relevant ordinary resolution to approve the same is passed would be beneficial to the Company.

Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share.

### **FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such repurchase in accordance with its memorandum of association and Articles of Association, the laws of the Cayman Islands and the Listing Rules. The Company may not repurchase Shares on the Stock Exchange for consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

To the extent that a repurchase is funded entirely from the available cash flow or working capital facilities of the Company, there might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts for the year ended 31 December 2018) in the event that the Shares Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Shares Repurchase Mandate to such an extent that would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time not appropriate for the Company.

**DISCLOSURE OF INTERESTS**

None of the Directors, and to the best of the knowledge of the Directors, having made all reasonable enquiries, none of their close associates (as defined in the Listing Rules), have any present intention, if the Shares Repurchase Mandate is exercised, to sell any Shares to the Company.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, nor has undertaken not to do so, if the Shares Repurchase Mandate is exercised.

**DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Shares Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company, the Articles of Association and the laws of the Cayman Islands.

**SHARE REPURCHASE MADE BY THE COMPANY**

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) during the last 6 months immediately preceding the Latest Practicable Date.

**TAKEOVERS CODE**

If, as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert, depending on the level of increase of its or their shareholding, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

To the best knowledge and belief of the Company, and as recorded in the registers required to be kept by the Company under section 336 of the SFO, as at the Latest Practicable Date, Morris Capital Limited, a controlling Shareholder which is owned as to 85% by Mr. Zou Gebing, the chairman and chief executive officer of the Company and 15% by Ms. Wu Xiangfei, the spouse of Mr. Zou Gebing, has an interest in 750,000,000 Shares, representing approximately 75% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Share Repurchase Mandate, the shareholding of Mr. Zou Gebing and his associates would be increased to approximately 83.3% of the then total issued Shares. Such increases will not give rise to any obligation to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

The Listing Rules prohibit a company from making a repurchase on the Stock Exchange if such repurchase would result in less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital of a company be held by the public. The Directors do not propose to repurchase the Shares which would result in less than the prescribed minimum percentage of the Shares be held by the public.

### MARKET PRICES

The highest and lowest market prices at which the Shares have been traded on the Stock Exchange during each of the period from April to August 2018 and the previous 12 months and up to the Latest Practicable Date were as follows:
